1. INTRODUCTION.

► 1.1 Overview.

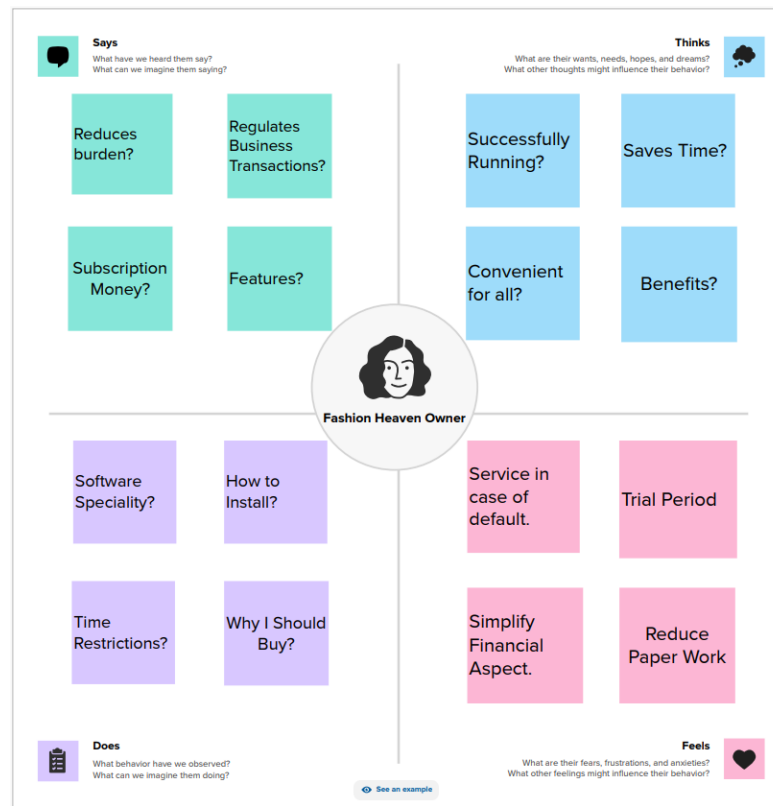

- ❖ The Fashion Heaven Pvt Ltd project is a comprehensive initiative aimed at modernizing our fashion retail operations, encompassing various facets of our business.
- ❖ In the context of this project, it's essential to recognize the evolving fashion industry landscape and the competitive dynamics we operate within.

► 1.2 Purpose.

- ❖ The Primary purpose of this project is multifaceted. It strives to enhance the overall customer experience, streamline internal operations, and ultimately boost revenue.
- ❖ Addressing the dynamic challenges prevalent in the fashion industry is central to our project. This includes rapid shifts in consumer preferences, inventory management complexities, and the need for data-driven and decision-making.

2. PROBLEM DEFINITION AND DESIGN THINKING

► 2.1 Empathy Map.

2. PROBLEM DEFINITION AND DESIGN THINKING

► 2.2 Ideation & Brainstorming Map.

Template

Brainstorm & idea prioritization

Use this template in your own brainstorming sessions so your team can unleash their imagination and start shaping concepts even if you're not sitting in the same room.

- 10 minutes to prepare
- 15 minutes to collaborate
- 3-8 people recommended

Before you collaborate

A little bit of preparation gives a long way with this session. Here's what you need to do to get going.

- [Team gathering](#)
Define who should participate in the session and send an invite. Share relevant information or give work ahead.
- [Set the goal](#)
Experimenting. Define Goals on Facilitator/Host.
- [Learn how to use the facilitation books](#)
Use the Facilitation Superpowers to run a happy and productive session.

[Open session](#)

1 Define your problem statement

What problem are you trying to solve? Frame your problem as a How Might We statement. This will be the focus of your brainstorm.

10 minutes

PROBLEM

Discover the problem statement for our future work with this book. Research our business, management, work value, experience, and strategy, identify, and give names to the problem statement. Ask the team to write the problem statement, and give them the problem statement. Ask the team to write the problem statement.

Key rules of brainstorming

To run an smooth and productive session

- Stay to topic
- Encourage wild ideas
- Defer judgement
- Listen to others
- Go for volume
- If possible, let others

2 Brainstorm

Write down any ideas that come to mind that address your problem statement.

10 minutes

Tip
You can collect or sticky notes from the team and then use them to create a brainstorming map.

3 Group ideas

Take turns sharing your ideas while clustering similar or related notes as you go. Once all sticky notes have been grouped, give each cluster a sentence-like label. If a cluster is bigger than six sticky notes, try and see if you can break it up into smaller sub-groups.

20 minutes

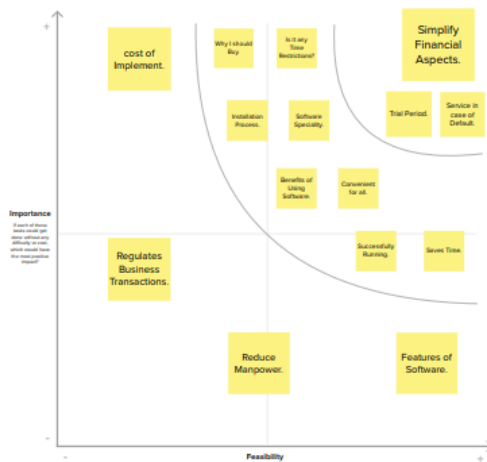

Tip
All brainstorming maps are created from sticky notes. You can use them to create a brainstorming map. You can use them to create a brainstorming map.

4 Prioritize

Your team should all be on the same page about what's important moving forward. Place your ideas on this grid to determine which ideas are important and which are feasible.

20 minutes

Tip
Participants can use this session to create a problem statement. They can use this session to create a problem statement. They can use this session to create a problem statement.

Importance

Feasibility

Regardless of other responses, sticky notes are more feasible than others (rank from most to least feasible)

After you collaborate

You can export the mind as an image or pdf to share with members of your company who might find it helpful.

Quick add-ons

- [Share the mind](#)
Share a new link to the mind with stakeholders to keep them in the loop about the outcomes of the session.
- [Repeat the mind](#)
Repeat a copy of the mind as a PDF or PPT to share to clients, include in slides, or reuse it your ideas.

Keep moving forward

- [Strategy blueprint](#)
